THE LIGHTS IN HISTORIC ROOSEVELT CENTER

Roosevelt Center will sparkle with lights, with the trees and hedges that line the plaza decked in strings of white lights. In the center of the plaza, a new live tree destined for planting elsewhere in the city does the seasonal honors in a coat of colored lights. Take a stroll through the center, or enjoy the lights as you drive past. A bit of Greenbelt history: The first tree-lighting ceremony in Greenbelt was held in Roosevelt Center in 1938.

DECEMBER DAYS

Wednesday, December 1 - Friday, December 10

FREE on the [Virtual Recreation Center](#), [Greenbelt Recreation Facebook](#), [City of Greenbelt Facebook](#) and [GATe](#).

Greenbelt Recreation presents a virtual calendar of seasonal activities and culture, shared via brief video segments, with a new video premiering each day. Each day's video will be presented by a different host from the community. Among the confirmed hosts at press time:

- **Dr. Lois Rosado**, chair of the Greenbelt Black History and Culture Committee, will relate how enslaved people used the Drinking Gourd (the Big Dipper) to find the North Star to help guide them on their nocturnal journey along the Underground Railroad - a daring and dangerous trek memorialized in the folksong "Follow The Drinking Gourd."
- Greenbelt Museum curator **Megan Searing Young**, will show the holiday decorations on display in the museum's historic house and share a letter sent by a child to Eleanor Roosevelt in December 1937.
- **Vijay Parameshwaran**, Greenbelt's preeminent chalk artist, will create a holiday artwork.
- Old Greenbelt Theatre executive director **Dr. Caitlin McGrath**, will preview the theater's seasonal offerings.
- Greenbelt Recreation yoga instructor **Laura Bonkosky**, will demonstrate a simple "breath break," a mindful breathing practice that helps to calm the busy mind.

Drawing on our community's rich cultural diversity, other video segments will feature Greenbelters showing you how to make traditional seasonal dishes and treats.

The December Days project is co-sponsored by [Greenbelt Access Television \(GATe\)](#).

Spotlight!

FUTSAL @ SHL

What is futsal? Futsal is the FIFA-recognized form of five-a-side game (4 vs 4 plus a goalie), indoor soccer. It is played between two teams who each have five players on the pitch at any one time, with rolling substitutes and a smaller ball (size 3-4) than soccer that is harder and less bouncy. Futsal is played with touchline boundaries. There are no walls in play. This is the game that outdoor soccer players around the globe play when they are indoors to refine and maintain their control skills and touch. Every Friday we will host a drop-in program for families at Springhill Lake Recreation Center from 7:00pm-9:00pm.

GENERAL INFORMATION FOR ADULT WINTER CERAMICS PARTICIPANTS

Participants in open studio must have previously completed a Greenbelt Recreation in-person ceramics class or have permission from Beth Fendlay, bfendlay@greenbeltmd.gov. Patrons who enroll in a class section that includes open studio, or who register for open studio as a stand-alone program, will be able to sign up for at least two time slots per week, plus additional slots as available. Wheel students may select either the wheel room or the glaze room for a given day. Hand-building students may select either the hand-building room or the glaze room. **Studio time is expected to be available during the following hours, except as reserved for maintenance and scheduled classes: M-F, 9:15am- 9:15pm; Sat., 9:15am-5:45pm; Sun., 9:15am-6:30pm.** Hours are subject to change. Participants will reserve studio time in advance through Signup Genius. Timeslots vary in length but are at least 2.5 hours long, subject to change.

In order to make sure the studio can accommodate all registered participants, programs including open studio have a low maximum enrollment; if your desired section no longer has room, please register for the waitlist.

PURCHASING CLAY:

If you are registering online, select the optional supply fee during check-out. If you are registering by email, please note "clay" and the fee (\$23) on your registration form. Limit (all clays): one bag per participant at the time of registration. Subsequent purchases may be possible, depending on inventory and curriculum. Please pick up your clay during your open studio time and sign it out on the clipboard by the door (room 304 or 305).

TIMELINESS OF STUDIO ARRIVALS/DEPARTURES:

Students arriving for a class meeting may enter the studio up to 15 minutes before the scheduled class start time. Students arriving for an open studio timeslot may enter the studio up to 5 minutes before their reservation time. These guidelines minimize cross-traffic and help to protect everyone's health; thank you for observing these limits, and for departing promptly at the end of a class or reservation.

Ceramics students can drop off and pick up wares in the third floor hallway during all Community Center hours.

COVID PROTOCOLS:

MAHJONG 173210-1

Mahjong is a game of both skill and luck that originated in China many centuries ago and was brought to the West in the 1920s with the publication of Joseph Park Babcock's "Rules of Mahjong." American Mahjong utilizes racks, jokers, "Hands and Rules". Mahjong is always played with four players seated around a table. Tiles are shuffled, die are cast, and rituals involving the allocation of tiles and then the exchange of tiles begin. The first person to match a hand of 14 tiles and thus "call Mahjong" ends the game. **THIS IS NOT AN INSTRUCTIONAL PROGRAM.**
